Bar-Not

Indicazione Geografica Tipica

Grapes: 50% barbera, 50% pinot nero

Vineyards and planting density: Pinot nero: 2.50 between rows, 0.90 between plants. Bud load 10-18. Clay soil. Barbera: 2.20 between rows, 1.80 between plants. Bud load 15-18. Clay soil.

Yield: 0-40 q ha.

Harvest: pinot nero late August, barbera late September to early October.

Vinification: in steel vats after destemming, on the skins for 10 days.

Aging: in steel vats for 4-5 months, then in the bottle for at least 40 days.

Alcoholic strength: 12.5 % abv.

Bottle: Bordelaise.

Colour: intense ruby red.

Bouquet: ripe red fruits.

Taste: a full-bodied wine with good acidity and tannins, notes of ripe red fruits.

Serving temperature: 18-20°C.

Recommended with: red meats, game.
